

Light Vehicle Maintenance and Repair Principles Diploma - AU301

A thirty four week course to introduce students to motor vehicle studies following the IMI level 1 maintenance and repair career route.

The course covers all aspects of the IMI Level 1 career route with the opportunity to progress to IMI Level 2 course on the satisfactory completion of Level 1 course.

COURSE DETAILS

This course enhances the learning of Level 2 and completes the VRQ section of study which is the technical element of assessment. It includes both practical and diagnostic assessment units required for progression into apprenticeships.

Topics covered include:

- Routine vehicle maintenance
- Removal and replacement of vehicle units
- Diagnosis and rectification of vehicle faults
- Fitting and replacing vehicle tyres

ENTRY GUIDELINES

This is a Study Programme for students who are 16-18 years of age.

To study a Level 3 qualification, you will need: Completed a level 2 qualification in Automotive and students must also have Maths or English at Grade 4 or above to study at this level. L2 Functional Skills in English and/or Maths)

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

EQUIPMENT REQUIRED

To learn effectively on your course you will need to use certain items of equipment and undertake particular activities. We will provide these for your use whilst in College, but to enhance your learning experience further we require you to have Personal Protective Equipment and a small tool kit.

You may be available for financial support to cover the cost of equipment required. Visit <https://wmc.ac.uk/student-support/financial-support/bursaries-loans>

ASSESSMENT METHOD

Students are assessed through practical assessments and on-line multi-choice theory questions.

ADDITIONAL INFORMATION

Information Technology - you will develop computer skills as part of your course. All students are assessed in basic skills and additional support will be offered to individual students as necessary to improve individual achievement.

Are you aged 16-18?
