# Digital skills for the workforce

## FREE Level 3 Programming/Software Development Course for Liverpool City Region Residents

Are you aged 19 or above, looking for work, already in work or are returning to work after some time out? Then the Programming/Software Development for the Workplace course could be for you!

This accredited level 3 course focuses on the underpinning concepts and implications of programming to design, develop and test computer programmes.

The course will include:

- Principles of computer programming;
- Design of software solutions;
- Computational thinking skills (problem solving)

### Who can apply?

**You are eligible if you are:**

- Living in the Liverpool City Region (Halton, Knowsley, Liverpool, Sefton, St Helens or Wirral)
- Aged 19+
- Working, recently unemployed within the last 12 months or looking for work e.g. coming back into the workforce
- Needing digital skills to take up a new role, or to significantly increase your responsibilities in your existing role

**Course starts Thursday 7th January.**
